

Questions from student assembly on Tuesday, April 26<sup>th</sup> – grades 7-12

- What is your opinion on the merger?
- How would this merger lower taxes?
- How about Madison's debt, is it larger than our district's?
- Doesn't Madison's debt become our debt?
- Transportation issue- Would some of the students have a longer ride since they would be going farther to another school?
- Would the new school after merger, have a different name?
- Wouldn't consolidation cost taxpayers more?
- Would any teachers get laid off?
- Will all students be allowed to participate in extracurricular activities?
- Would high school students have a say in the merger?
- Why do students not have a direct say?
- Our school was designed for k-12, how will this effect children in a family?
- How will the vote reflect student voice?
- What will it be like having rivals from two neighboring communities together in one school?
- Why doesn't Morrisville merge with us?
- What if the merger vote is no, will we run out of money? Will the state mandate a merger?
- Are you doing anything personally to prevent the merger?
- Will the lunches get better?
- Will the lunch line get longer with the increase of students in the high school?

Two statements were made by students.

They are:

When you put two rival schools together there is a potential for problems.

Taxpayers will not see the effect that the merger could have on students.
